

Acest tractor a trecut cu roțile sale late peste ogor. Continuă desenul după modelul dat.

Aceasta este omida Rozi. Desenează-i câteva prietene.

Roxi ornează grădina pentru petrecerea de ziua ei. De fiecare cârlig din zid ea agață 5 baloane. Ajut-o și tu!

Purcelușilor le lipsesc codițele ondulate. Desenează-le la locul potrivit.
